Private Dining

If you are looking for the perfect place to host a private breakfast meeting then look no further. Avenue is a stunningly beautiful restaurant and bar in the heart of St James's in central London. Designed by American Architect, Rick Mather, the grand room with its high ceilings and fabulous lighting instinctively feels extravagant, generous and fun!

The private dining room can accommodate 20 people seated or 35 standing and can be booked for breakfast, lunch or dinner as well as cocktail parties, canapé receptions and even meetings or presentations. Our breakfast packages start from £20 per person. The room includes a 46" LCD screen with a laptop connection (VGA Cable) for your presentation.

We can also accommodate up to 120 people in the main restaurant and Avenue's high ceilings and 'wow factor' make it ideal for exclusive hires.
